Company Profile

WHERE SERVICE IS EVERYTHING!

**DRD ENTERPRISES
(PTY) LTD**

Reg. No. 2015/441700/07

Company Profile

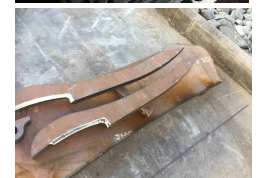

Dedicated, Reliable, Delivery-three simple words that mean so much. Individually, they have a strong impact-but together, they are the difference between a capable company, and an outstanding one.

This is the philosophy of DRD Enterprises, with over 30 years of collective experience in the steel servicing industry, we understand more than any how critical outstanding service delivery is. Our business is geared around providing superior service at competitive pricing to the general engineering, mining and civil engineering industries.

The services we offer are flame cutting, plasma cutting and laser cutting in most thicknesses and grades available in the market; we also offer add-on services such as bevelling, rolling and bending. There are various additional services we can offer too via our dedicated sub-contractors, so never hesitate to enquire if we can meet your needs.

Our business environment is changing dramatically in South Africa, and it is absolutely imperative that we all work together to ensure a future for ourselves and our customers in this economy. We have established specialised systems to cater to the various demands this has put on our customers and we work closely with them to ensure our complete compliance to their every need. Trust is the most crucial part of any relationship, and we work tirelessly to harvest and build on this with each and every customer at DRD Enterprises. Our welcome mat is ready for one and all to become a part of our special family, give us the opportunity to prove to you how valuable your business really is, no matter how small the order-all are valued.

*Remember, **Dedicated + Reliable + Delivery = SUCCESS** every time. So go ahead and treat yourself, become a part of the DRD Enterprises family today, where "service is everything"!*
